INTRODUCTION:

Aakanksha run by Lions Sewa Samiti (reg no.No.905 dt.17-12-1991) started on 2nd October 1994,as a Special School for the Mentally challenged persons. There are 75 personnel including special educators and staff care taking care 342 special children (including 92 children at special school and (67 Birgaon+ 30 Dharsiwa) 97 student in its rural intervention services,85 in our OPD,68 children with deaf ,blind in SENSE Project) covering all types of disabilities which include cerebral palsy, Autism, Deaf, Blind, Multiple disabilities etc.

All the centre based services in Raipur are functional in a barrier free building. The ground floor comprises of a well equipped physiotherapy unit, speech therapy unit, remedial unit, multisensory stimulation room, occupational therapy unit, seminar hall, three classrooms for diploma in special education in mental retardation- DSE(MR)-1st year,2nd year and DSE(V.I),second year classroom for Bachelors in Education-B.ED.Special (Mental Retardation)and the administrative section.The first floor comprises of special school, pre-vocational training centre,2nd year classroom for Bachelors in Education-B.ED(M.R) and hostel for the trainee teachers with a mess attached to it.

OBJECTIVES

- To enhance self-dependence of children through application of special education and behaviour modification principles.
- To provide need based intervention and training to the persons with disabilities by reaching to the unreached.
- To train and develop human resources to prepare special teachers to train persons with special needs in individual and group settings.
- Enhance Mobility and balance through Sensory swing and Garden.
- Improve Control in muscles joints to be achieved through stimulation in swings.

- Improving eye-hand co-ordination.
- Developing social and communication skill.
- Improving their digestive system while playing for half an hour in the garden.
- Training in curricular and co-curricular activities.
- Rehabilitate them in main stream.
- Improvement in confidence.
- Happiness on parent's face when they watch their children play.
- Sensory Garden given by AOF enhanced children's happiness. Job placement for children with special needs.

VISION

Serving humanity is one of the better versions of social work .It is difficult to serve the people with special needs and even more so to serve mentally challenged people.We choose the most challenging and most neglected option due to various reasons:

Lack of adequate facility in Raipur,C.G.,to serve all the mentally challenged

- By serving the mentally challenged people we empower and strengthen the families of the special children to cope up with their difficulties in bringing up these children.
- Providing respite to parents and siblings and thereby helping them to constructively contribute elsewhere.
- Skill development in children and persons with special needs.

The vision of Aakanksha is kaleidoscopic, providing need based intervention and training to the persons with disabilities by reaching to unreached.

MISSION

Our mission is to create core competence in children with special needs residing in urban and rural areas through application of special education, advanced therapies, superior and barrier free infrastructural facilities, provide vocational training for creating better opportunities for employment and develop human resources, so that person with disability can cope up with the challenges of society they live in and lead a respectable life.
